**Department:** Professional Boards

**Designation:** Committee Coordinator

**Date:** 18 September 2019

Dear Ms Clack

**SUBMISSION OF THE ABSTRACT REASONING TEST (ART) FOR CLASSIFICATION**

1. We wish to advise you that the Psychometrics Committee of the Professional Board for Psychology at its recent meeting noted that –
  - a. the ART was submitted by Psytech SA (Pty) Ltd for classification purposes. The assessment measured the ability to understand abstract logical problems and used new information outside the range of previous experience;
  - b. Ms N Tredoux recused herself during the discussion of the item.
2. The Psychometrics Committee resolved that –
  - a. the test be approved as it was psychological in nature, it tapped into cognitive functioning;
  - b. the test should be included in the list of classified tests as a psychological assessment.

Yours faithfully,

**MS P KHATI
